

Garland County Election Commission

How To Vote

1 Once the ExpressVote has printed your Ballot

2 Verify Selections

3 Insert Ballot Card

4 Thank You Screen

Using the DS200 Scanner

1 Once you have printed your Ballot on the ExpressVote Machine.

2 Review the selections printed on the Ballot. If choices are correct, proceed to Step #3. If selections are not correct, see an Election Official.

3 Insert Ballot into the DS200 Scanner, in any direction (right side up, backward, or upside down).

4 A Thank You for Voting screen will appear, after your Ballot is accepted. Please exit the polling location.

**Votes are cast by depositing the card into the scanner.
Once deposited in the scanner the vote cannot be changed.**
